

**WASHINGTON WINE COMPANY** has been producing quality wines since 2000, we recently relocated our winery from Monroe to Woodinville in September 2007. If you have ever wanted to learn more about the wine making process, sign up on our volunteer list, we will keep you informed of opportunities to help out at crush, blending trials, bottling, tasting events, or even just washing down the floor.

**Tasting Room Hours:** 12 PM to 5 PM **EVERY** Saturday & Sunday

Bring your family, friends and out of town guests by the winery any time for an enjoyable wine tasting experience and talk to the wine makers. Sign up for our wine club and you and your guest will never pay a tasting fee.

We host private events – Our winery accommodates private parties for groups of up to 80 of your friends and family (business meetings are ok too, just no suits). Disco wine bottle rental is extra.

Please continue to watch our website as it is under construction but will soon advertise upcoming exciting events and cool things to know!

See you in the Tasting Room!
